

Mt. Pleasant Youth Rec Softball Association

The Board of Directors of the Youth Softball Association would like to offer softball clinics for the girls. These clinics will focus on hitting, throwing, fielding, and pitching.

Advanced registration is needed in order to plan. Minimum of 10 registrants is needed to hold the clinic and there will be a maximum of 30 for each clinic. Cost is \$5 per girl per clinic night. Payment may be made at the clinic. Each clinic will be held from 5:30-7:00 pm. Each age group will have 3 clinic dates and you may sign up for as many as you want in your age group.

The guidelines published by the High School Athletic Association will be followed including, but not limited to the following: girls are asked to bring their own helmet, bat, and water bottle. If the registrant does not have their own equipment, the Association will have equipment to lend out. Also, parents will be asked to stay in their vehicles and not convene in the bleachers.

Following are the dates for the respective age groups (Grades are for the 2019-20 school year). Click on the link for your daughter's age group and it will take you to the signupgenius website. You need to register for each date that your daughter want to attend and make sure to click on the "player sign up" icon. Advanced registration is needed.

1.) **Pre-Kindergarten/Kindergarten** : June 29, July 6, and July 13

The Board of Directors wish things were different and that we were playing our regular season at this time. The decision to cancel the season was very difficult, but the safety of the girls was top priority. The Board will do our best to follow safety guidelines while still providing some fun softball instruction for the participants during these clinics.

Questions may be forwarded to any board member.

Thank you,

President, Diane Magnani (319-931-3073)
